

LIABILITY INSURANCE FOR PARENT COUNCILS

When taking direction from the Principal, and working with the school staff on school sponsored activities (i.e. staff are involved in directing, organizing and supervising), Parent Council members are protected by the LDSB's insurance policy. However, the LDSB recommends that all councils purchase additional coverage. The cost is \$150 per school year. Council chairs should request this service through their school principal in the fall of each school year.

ACTIVITY GUIDE

GREEN LIGHT

Approved activities and events.

YELLOW LIGHT
