Stay connected by subscribing to school calendars

Limestone introduced new, more user-friendly school websites earlier this year. A feature of the new websites allow families to subscribe to school calendars and newsletters via their desktop, laptop, tablet or Smartphone. Families can also download the Board's new mobile app to have easy access to school and Board news and events, our new enhanced broadcasting tool, and student absence reporting tool. Signing up is free and easy.

How to subscribe to school calendars via the school website:

You can export an individual calendar event, subscribe to an email alert once new calendar items are uploaded, or subscribe to the entire calendar (download to your personal email or Smartphone calendar). Select the option you prefer and follow the directions/prompts.

School Calendar

SELECT EVENTS FROM OTHER CALENDARS

The screenshot shows a web-based calendar interface for October 2018. At the top, there are navigation buttons for days of the week (1, 7, 31, 365) and a 'Today' button. Below this is a 'Monthly' view selector and a 'Go' button. A toolbar contains icons for printing, adding events, and other functions. The calendar grid shows dates from Sep 30 to Oct 20. Events are listed for Oct 1 (Open House, School Council Meeting) and Oct 8 (Thanksgiving Day). Three red callout boxes highlight specific features: 'Export events' points to the calendar grid, 'Subscribe to email alerts' points to the top toolbar, and 'Subscribe to iCal or RSS feed' points to the bottom toolbar.

How to subscribe to school calendars via the Board mobile app:

Open the mobile app. Select the **Events** icon. Go to the event you would like to add to your calendar and open (click) it. Select **Add to calendar**. Select **Add**. The event will now appear in your personal calendar.
