

Aurora French

On the occasion of your Limestone Student Achievers Award

Tony Robbins said, "It's not what we do once in a while that shapes our lives, it's what we do consistently." Aurora French, a Grade 12 student at Granite Ridge Education Centre, exemplifies this quotation on a daily basis through her excellent academic accomplishments, her strong leadership skills and her commitment to her community, making Aurora an ideal candidate for the Limestone Student Achievers Award.

Aurora demonstrates exemplary achievement in academics. Every single mark on her transcript is Level 4 and 26/28 are in the high nineties! So, it is no surprise that she has received the Proficiency Trophy for her cohort every year. She is extremely intelligent, articulate and talented in multiple subjects, while being humble and an excellent role model for her fellow students. Her diligence, excellent learning skills and perseverance are evident as she sets high standards for herself, and she is committed to seeing them through to fruition.

Aurora has been an integral member of Student Council and extra-curricular teams. Her organizational skills as well as her artistic flare have been critical when organizing Prom and other school wide events. As chair of last year's Prom committee, she was pivotal in the event's success.

Aurora is also a vital part of our athletic program. As a team member, she is encouraging and extremely positive, but do not let her quiet demeanor mislead you as she is a fierce competitor who pushes herself to her full potential. Her dedication to her team is evident as she always attends practice and leads by example. She is a versatile and extremely coachable player who is willing to play any position on the volleyball court - and has done so!

Along with these significant in-school contributions, Aurora has been actively involved in her community. She has been involved in fundraising for a number of charities, including the Canadian Cancer Society. She has consistently volunteered for the Blue Skies Camp, encouraging young people to be creative. Her compassion for her fellow human beings is evident in these activities and demonstrates the outstanding citizenship qualities that all of us should strive toward.

The Limestone District School Board is proud to honour Aurora French with a **Limestone Student Achievers Award**.
