

Sophie Gibson

On the occasion of your Limestone Student Achievers Award

Teachers at Frontenac Secondary School know Sophie Gibson as a positive, energetic, and caring student. Her leadership across a wide range of academic and co-curricular areas, and her respect for the ideas and feelings of others, make her a critical member of our school community.

One of the most remarkable things about Sophie is how much she takes on while still maintaining an exceptional record of academic achievement. Sophie has never earned a mark lower than 90 per cent in any course in high school. This year, in Grade 12, while taking on the demanding role of being Student Council Co-President, she has maintained an outstanding academic average of 95.5 per cent and, in so doing, has earned the extremely prestigious Chancellor's Scholarship to attend Queen's University in the fall.

Sophie is an active member of the soccer, ski, and field hockey teams, and earned the Spirit Award for her efforts with the Field Hockey team in Grade 11.

Sophie's skills and interests also extend to the arts. She is a member of the Jazz Band and regularly performs at the Arts Department Coffee Houses, amazing crowds with her superb singing and guitar-playing skills.

Sophie's involvement in Student Council at Frontenac Secondary School has been nothing short of amazing. As a new member of Council in Grade 9, Sophie showed tremendous maturity in planning and promoting events for the school. In Grades 10 and 11, she assumed the lead role for the LifeBus blood donor recruitment and the KGH Teddy Bear Campaign. This year, as Co-President for Student Council, Sophie collaborates to set the Council agenda, plan events, delegate responsibilities to council members, and liaise with the school administration. She has played a key role in the organization of our Spirit Rally, the Teddy Bear Campaign, and semi-formal dance. Sophie is always front and centre at any Student Council event. No task is too small for her; if it needs to be done, she takes it on and masterfully enlists an eager group of supporters and volunteers.

Sophie's willingness to take risks and pursue excellence in all her learning and co-curricular endeavors make her a role model for her peers. Approaching new tasks with enthusiasm and a determination to do her best, her personable nature and diligence have earned her the respect of her peers and her teachers.

The Limestone District School Board is proud to honour Sophie Gibson with a **Limestone Student Achievers Award**.
