EXTENDED FRENCH PROGRAM

The Extended French program is designed to develop Grade 7 and 8 students' skills in reading, writing, listening and oral communication in French. Through this experience, students will communicate and interact in French with growing confidence and fluency. The program implements the Ontario curriculum and provides stimulating experiences as well as marketable second language skills.

The Extended French Program accepts students with a Core French background who have demonstrated the prerequisite linguistic skills, who have a strong desire to complete extra academic activities and have the desire to learn French across most curriculum areas. A good foundation in mathematics and language skills in English is also important.

The Extended French Program is offered at three sites.

Information Sessions will be held Tuesday, February 26, 2019 at the following locations:

Harrowsmith Public School - 6 p.m.
613-372-2026

Module de l'Acadie – 6 p.m.
613-389-0091

Module Vanier – 6 p.m.
613-544-7698

Students currently enrolled in French Immersion programs who wish to attend these schools are also welcome at the information session.

Applications to the Grade 7 Extended French Programs at Harrowsmith P.S., Module de l'Acadie and Module Vanier are accepted on an on-going basis and should be sent to the school sites (and not through the Choices at Seven online submission process). Families are asked, where possible, to submit the application form by **Friday, April 26, 2019.**

Information and application packages can be downloaded from the Choices at 7 website after February 5, 2019 or can be picked up at the school on the information night.
