

Sign in and get started with your Limestone Microsoft Office 365 Outlook Email

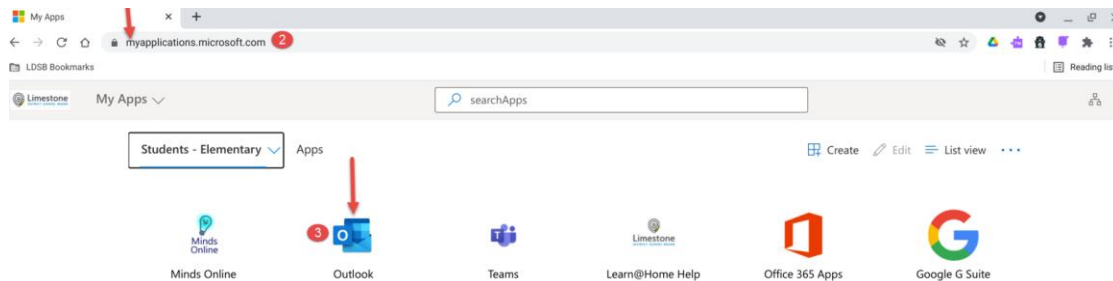

How to access Outlook email from:

- [Limestone Chromebook](#) | [Personal Chromebook](#)
- [iPad, Windows or Mac](#) (Limestone or Personal)

Tip: bookmark / favorite your most used websites.

Chromebook (Limestone)

1. Sign into the Chromebook with your Limestone full email address (username@limestone.on.ca) and password.
2. The myapplications web page will automatically open.
3. Select to open Outlook.

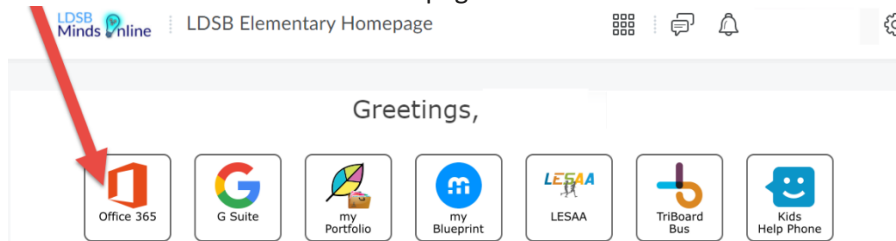

This procedure applies for:

- Personal **Chromebook**
- **iPad** (Limestone or Personal)
- **Windows or Mac** (Limestone or Personal)

1. Open a Web Browser and go to www.limestone.on.ca
2. Select the **Minds Online** link located halfway down the page to the right.
3. Enter your Limestone full email address (username@limestone.on.ca), password and select Sign in.

4. Select **Office 365** from the Minds Online home page.

5. Select **O365 Outlook** to read your emails.

The direct link to O365 Outlook email is outlook.office.com
