

ADMINISTRATIVE PROCEDURE 157

Providing Accessible Information and Communications Services (Accessibility Standards for Information and Communication)

The Limestone District School Board is committed to ensuring that people with disabilities have the same opportunity of access to our services as do all others we serve. The Board is committed to meeting the accessibility needs of people with disabilities, in a timely manner, in the provision of services related to information and communications.

Definitions:

Information includes data, facts and knowledge that exist in any format, including text, audio, digital or images, and that conveys meaning.

Communications means the interaction between two or more persons or entities, or any combination of them, where information is provided, sent, or received.

Accessible formats include but are not limited to options such as large print, screen readers, braille, audio format, captioning.

Conversion-ready is an electronic or digital format that facilitates conversion into an accessible format.

WCAG refers to the World Wide Web Consortium Web Content Accessibility Guidelines
