Co-op

Co-op starts on June 30th and can continue until August 8th, 2025. Students taking co-op should speak with their co-op teacher before registering. Co-op registration will occur through the Co-op registration link on the LDSB Website.

Important Notes:

- Students can register for one e-learning summer session course.
- Students are expected to login daily to their Minds Online course and should be prepared to spend 4-5 hours daily on course work. Students who are not able to fulfill the daily attendance requirement are not permitted to sign up for Summer Session.
- Grade 8's are able to reach ahead and take Careers/Civics.
- All courses are conditional on teacher availability and sufficient enrollment. Students will be notified prior to June 30th, 2025 if the class is not running.
- Students wishing to take a course not offered by Limestone District School Board should speak with their Guidance Counsellor. The course may be offered by another Board through the Ontario e-Learning Consortium (OeLC)
- Students in OeLC courses may not be able to access their courses if travelling outside of Canada. Permission will be needed for LDSB courses.

REGISTRATION

(Click here)

Click the link above, scan the QR code below or go to: www.limestone.on.ca -> Programming -> Summer Programming -> Summer Session for registration instructions.

Students are able to register for an LDSB Summer Session course through myBlueprint within their Minds Online account.
