

PARENT INVOLVEMENT COMMITTEE

FORMAL REPRESENTATIVE: PIC REP

Your school has a voice at the LDSB Parent Involvement Committee (PIC).

As a Formal Representative of your school, you are your school's connection to the Parent Involvement Committee (PIC) and the Limestone District School Board.

PIC works to support, encourage, and strengthen parent engagement across LDSB, bringing voices to the board level to help improve student achievement and well being.

WHAT DOES A PIC REP DO?

Bring the parent voice

- Bring forward the perspectives, questions, concerns and priorities of your school community

Represent your school

- PIC Reps are voting members of PIC, with one vote for each school they represent

Connect your school & PIC

- Share PIC information and opportunities with parents and bring feedback from your school community back to PIC

Participate & Contribute

- Attend PIC meetings, review meeting recordings and PIC emails, listen to diverse perspectives, ask questions, share ideas, and participate in discussions and decision making

Work Collaboratively

- Build positive, respectful relationships with other PIC members and work in partnership with LDSB

A GREAT PIC REP IS...

- An active and engaged parent in their school community
- A good listener and communicator
- Respectful and willing to participate
- Collaborative while asking questions and raising concerns
- Committed to representing the broader parent voice
