

LDSB Succession Process Applicant Template

Instructions

Thank you for your interest in leading in Limestone. To facilitate the application and screening process, all applicants are required to complete the following fillable Succession Applicant Template. Please do not include additional items, such as a separate resume, cover letter or other documents, as they will not be considered.

You will note that the job posting is seeking K-12 Principals and Vice-Principals. You may select the role(s) for which you are interested in being considered. For example, you may only wish to be considered for a secondary principal role, or you may wish to be considered for both elementary and secondary principal roles.

Please also note that references will be required at the outset and will be contacted as the first step in the process. For external applicants, should you not want your current supervisor contacted, upfront, please email Susan McWilliams, Superintendent of Human Resources (mcwilliamss@limestone.on.ca). Should a conditional offer of employment be pending, your current supervisor will be contacted at that time prior to a formal offer.

Applicants will receive an email advising them if they have been selected to move forward in the process. Similarly, applicants who have not been deemed ready yet will also receive an email. Feedback will be provided to those applicants who are not selected to move forward at this time, upon request to the Superintendent of Human Resources.
