

Request for Exemption from Instruction in Human Development & Sexual Health

I have reviewed the Human Development and Sexual Health expectation in *The Ontario Curriculum, Grades 1-8: Health and Physical Education, 2019* for my child's grade, and I would like my child to be exempted from instruction related to these expectations, without academic penalty.

During the exemption period, I would like my child to [select one only]:

- ☐ Option 1: be released into my care as parent/guardian or the care of my approved designate .
- ☐ Option 2: remain in the classroom without taking part in instructional activities related to Human Development and Sexual Health (I understand that my child's activities unrelated to Human Development and Sexual Health during the exemption period will be at the discretion of the teacher)
- ☐ Option 3: leave the classroom and remain in the school under staff supervision (I understand that my child's activities during the exemption period will be at the discretion of the teacher or principal) Note: While the school will make every effort to accommodate your request, a school's ability to effectively supervise students may not be operationally feasible.

NOTE: If one of the three options above is not selected, the principal or principal's designate will determine where in the school the child is to remain during the exemption period.

Parent/Guardian Agreement

As the child's parent/guardian, I understand and agree with the following statements: x
