Co-op

Co-op starts on June 29th and runs until August 7th, 2026. Students taking co-op should speak with their co-op teacher before registering. Students are required to already have their placement when signing up for summer co-op.

Important Notes:

- Students can register for one e-learning summer session course.
- Students are expected to login daily to their Minds Online course and should be prepared to spend 4-5 hours daily on course work. Students who are not able to fulfill the daily attendance requirement are not permitted to sign up for Summer Session.
- Grade 8's are ONLY able to reach ahead and take Careers/Civics.
- All courses are conditional on teacher availability and sufficient enrollment.
- Students will be notified prior to June 26th, 2026 if the class is not running.
- Students wishing to take a course not offered by Limestone District School Board should speak with their Guidance Counsellor. The course may be offered by another Board through the Ontario e-Learning Consortium(OeLC)
- Students in OeLC courses may not be able to access their courses if travelling outside of Canada. Permission will be needed for LDSB courses.

REGISTRATION

Additional Registration information as well as links to the registration forms are available at the [Summer Session website](#).
