Request for Permission to Provide Private Music Lesson During School Hours

Re: _____ (Name of Music Provider)

Contact Information (e-mail & phone):

This request is for the school year _____ at _____ (School)

I, the undersigned, understand that my private music instruction is not sponsored or associated with the Limestone District School Board. The Board is only providing space and/or equipment (if available) for the music instructor to provide a more convenient service due to distance or transportation, for parents/guardians who wish to withdraw their child(ren) for music instruction during regular school hours. The impact on instructional time should be kept to a minimum. I realize that I must provide proof of third party insurance for my rental of space in the school and that a rental charge applies. In addition, if approved, I recognize that scheduling will have to be done in cooperation with the school principal.
