

The Limestone District School Board is committed to providing the best possible educational programming for students as well as opportunities for students to engage in a variety of extra-curricular activities to complement instructional programming. To this end and as per the Education Act, the Principal is responsible for the organization of the plan for instruction in the school.

1. ORGANIZATION FOR INSTRUCTION

1.1. The principal, in consultation with the staff, shall develop a school plan which clearly outlines the following:

- a) organization of classes;
- b) organization of teacher assignments;
- c) course offerings of the school; and,
- d) co-curricular activities.

1.2. Classes and Teaching Assignments

1.2.1. The function of assigning students to classes shall be the responsibility of the principal in consultation with all staff members affected at that instructional level.

1.2.2. Classes shall be organized according to provincial legislation and relevant collective agreements related to class size and teaching assignments.

1.2.3. The principal, in consultation with the staff, shall consider the most effective groupings of students for instruction, including as many opportunities as possible for mixed ability groupings.

1.3. Courses and Co-Curricular Activities

1.3.1. The principal shall retain on file, in compliance with the Board's Records & Information Management Guidelines, up-to-date copies of outlines of all

courses of study that are taught in the school.

1.3.2. The principal and staff will plan co-curricular activities to enhance student learning.
